**WHAT: HIGHWAY REHABILITATION PROJECT ON STATE ROUTE 269 WITHIN THE CITY OF HURON.**

**WHEN: BEGINNING TUESDAY, AUGUST 3<sup>RD</sup> FROM 6:00 A.M. TO 6:00 P.M.**

**WHERE: ON STATE ROUTE 269, FROM TORONADO AVENUE TO 10<sup>TH</sup> STREET**

The California Department of Transportation (Caltrans) announces that **Granite Construction** will begin a highway improvement project along State Route 269 within the City of Huron. This project will consist of grinding, dig-outs and an overlay of slurry seal material that will extend the life of the existing roadway. Striping operations will follow along this newly paved section. It is anticipated that this entire project will be completed within 20-working days.

**The traveling public will experience one-way traffic control during the hours of 6:00 a.m. to 6:00 p.m. Monday-Friday. (Date and times subject to change due to unforeseen contractor operations).**

**Flaggers will be on site to assist motorists through the project area. Motorists may experience delays in this area during this time frame. Motorists are asked to use an alternate route whenever possible.**

Caltrans would like to thank the residents and commuters for their patience during this improvement project. Motorists are reminded to drive with extra care while travelling through maintenance and construction projects and to **“Slow for the Cone Zone.”**
